

UoPeople Peer Assessment Example (Average)

Fictitious Peer Assessment Criteria (for practicing)

Element 1:

Did this assignment provide the name and the mission of the International NGO (non-governmental group)?

- The name of the International NGO and the mission were both clearly stated= 10 points
- Only one of these two components were provided= 5 points
- Did not address this part of the assignment = 0 points

Use the feedback box to provide your peer with the reason you did or did not give full credit for this element.

Weight: 1.00

Grade (max 10 points):

Feedback:

NGO was identified but mission wasn't clearly explained.

Element 2:

Did this assignment summarize, in the student's own words, some of the recent work to advocate for and protect the human rights of a particular group or groups of people?

- This was thoroughly described and answered = 10 points
- Addressed most of the question, but could have been more detailed and elaborated further = 7 points
- The answer was very brief and in need of much further explanation= 4 points
- Did not address this part of the assignment = 0 points

Use the feedback box to provide your peer with the reason you did or did not give full credit for this element.

Weight: 1.00

Grade (max 10 points):

Feedback:

Good job, could have used more detail on what work they do.

Element 3:

Did the assignment address the reasons why this human rights work was necessary, as well as any challenges that arose in providing this work?

- This was thoroughly described and answered = 10 points
- Addressed most of the question, but could have been more detailed and elaborated further = 7 points
- The answer was very brief and in need of much further explanation= 4 points
- Did not address this part of the assignment = 0 points

Use the feedback box to provide your peer with the reason you did or did not give full credit for this element.

Weight: 1.00

Grade (max 10 points):

Feedback:

Good job, could have used a little more detail but okay overall.

Element 4:

Did the paper meet the length requirements of at least 500 words?

- The assignment was at least 500 words in length and included a word-count= 10 points
- The assignment was at least 500 words in length and but did not include a word-count= 8 points
- The assignment was less than 500 words in length, but more than 400 words in length and included a word-count= 7 points

- The assignment was less than 500 words in length, but more than 400 words in length and but did not include a word-count = 6 points
- The assignment was less than 400 words in length, but more than 300 words in length and included a word-count= 5 points
- The assignment was less than 400 words in length, but more than 300 words in length and did not include a word-count= 4 points
- The assignment was less than 300 words in length, but more than 200 words in length and included a word-count= 3 points
- The assignment was less than 300 words in length, but more than 200 words in length and did not include a word-count= 2 points
- The assignment was 200 or fewer words in length = 0 points

Use the feedback box to provide your peer with the reason you did or did not give full credit for this element.

Weight: 1.00

Grade (max 10 points):

Feedback:

Word count was missing.

Element 5:

Writing includes proper spelling and grammar, and is clear and understandable. Use the below key to award points (10 max.)

- No errors= 10 pts
- 2-3 errors = 7 pts
- 3-5 errors= 5 pts
- 6-8 errors = 3 pts
- Writing has 8 or more clarity and/or spelling/grammar issues= 0 pts

Use the feedback box to provide your peer with the reason you did or did not give full credit for this element.

Weight: 1.00

Grade (max 10 points):

Feedback:

There were several grammar errors, so try to proofread more carefully.

Be sure to leave any overall feedback and tips for the student in the general comment area.

General comment:

Good job, you definitely did a lot of work. While you could have used more detail in some places and more proofreading, you did a good job describing what Amnesty International does.
